STEFAN MITCHELL

Doug,

It's been a great year, and fast I must admit. I've known you for a long time. If only you would of stuck to it you would be up there on that stage with your closest friends. But I know that you'll do well next year. I would really like to graduate with you, think about hanging around here and go to B.U.H.S. even though we both and many more people can't stand the school. Just think, I have to go through it. Will have to party alot this summer. I'll see ya around. We've had alot of good times, I'd like to have many more.

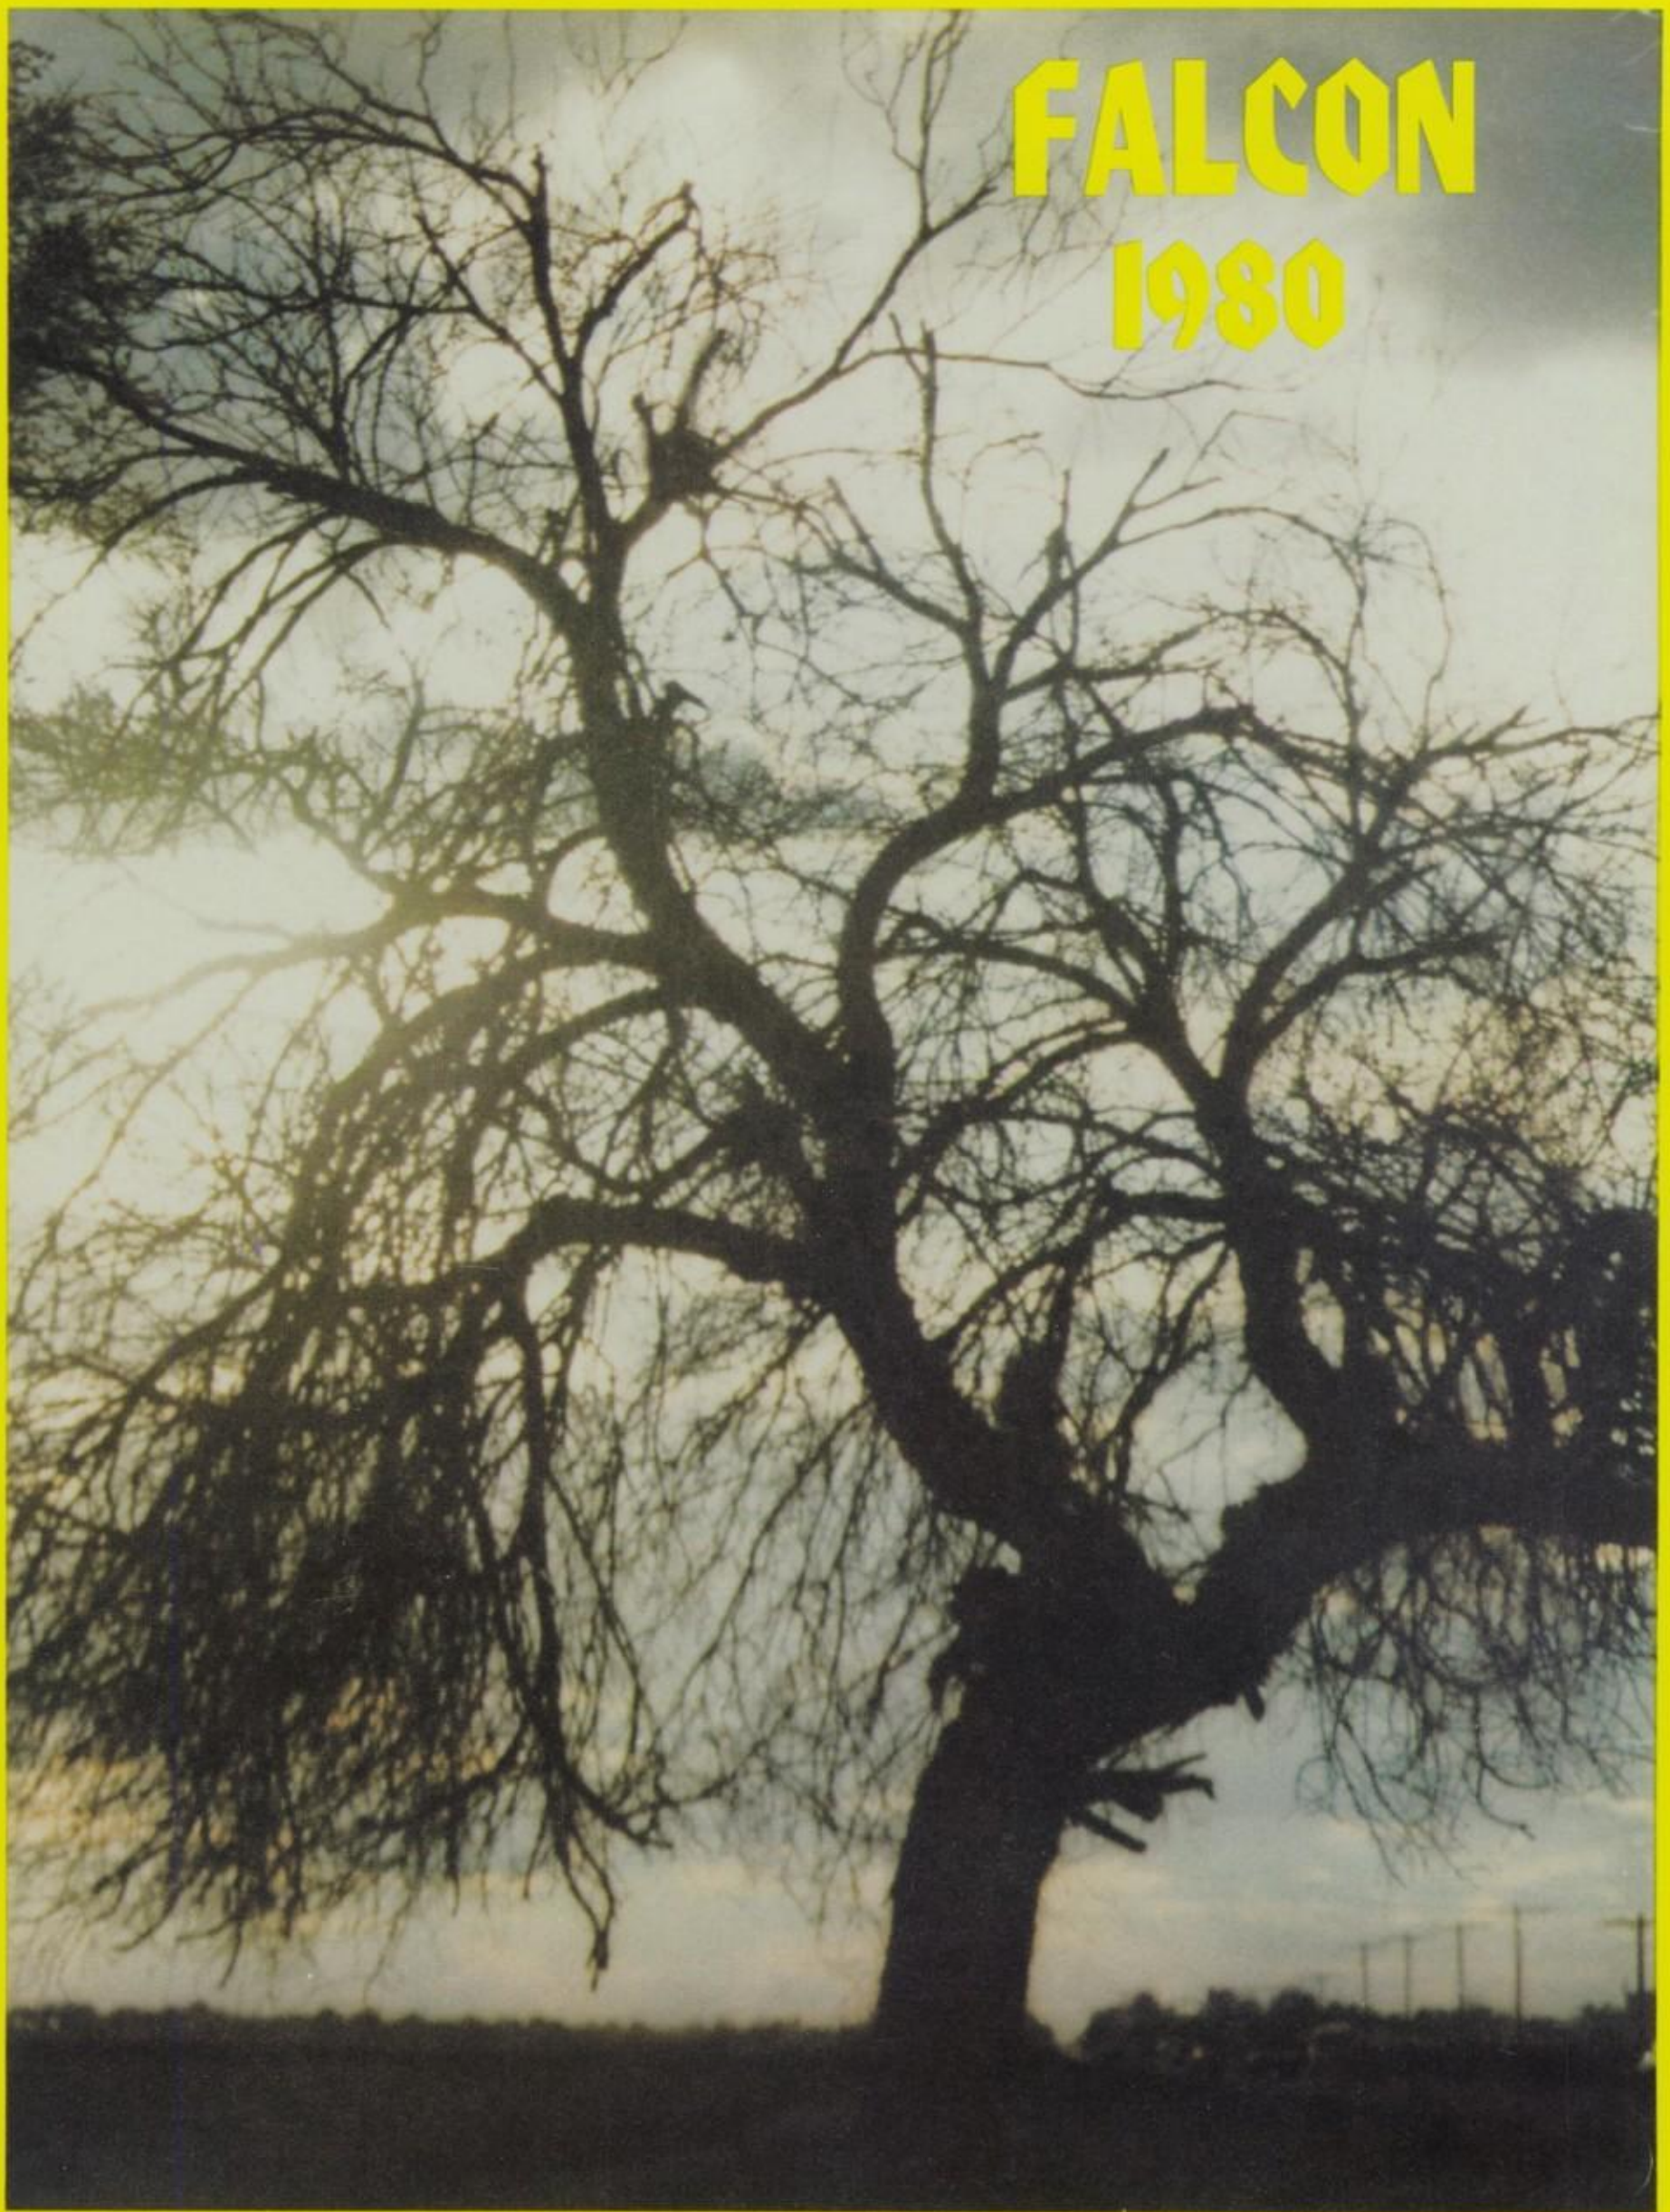

Be careful. Take Care.

FRAGMENTS

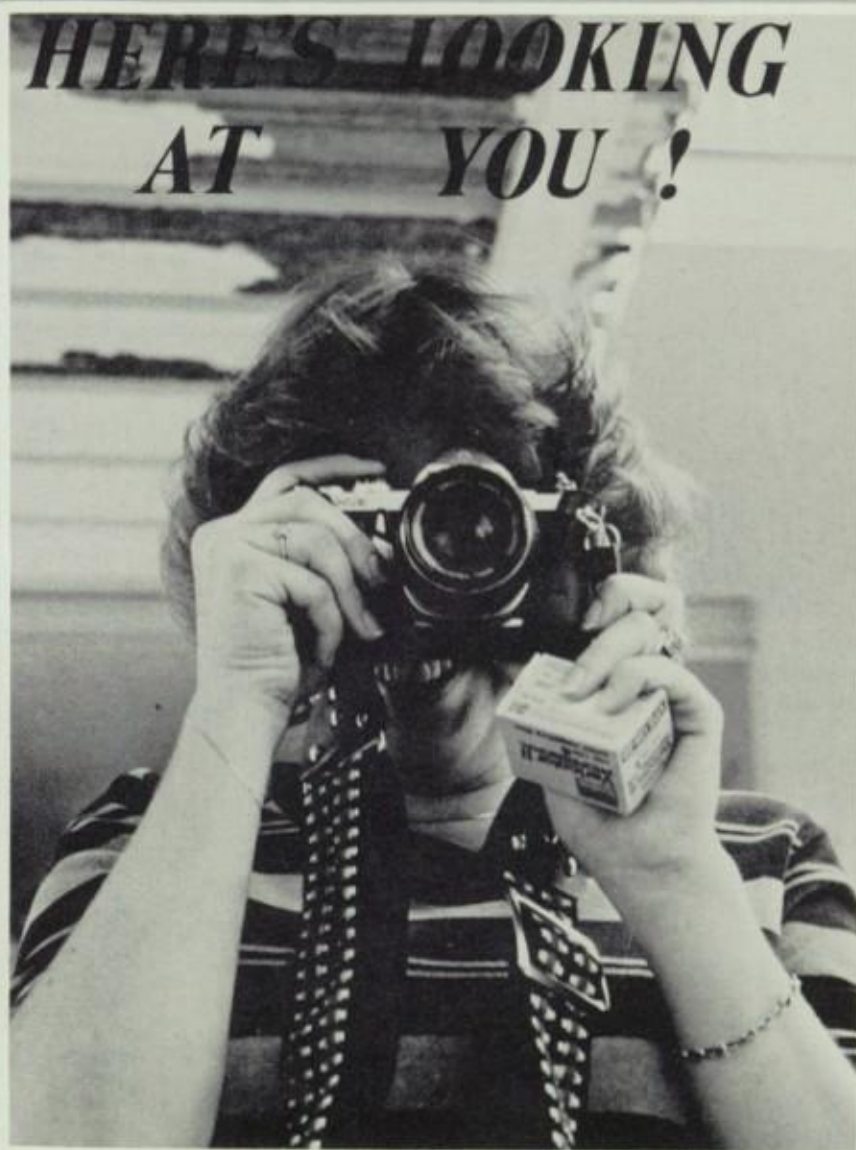

FRAGMENTS

As the end of our 1979-80 school year draws to a close we will remember what things made this year the greatest. Words like: Best, Whatever, Cool, Party, Ya-Boy, Larry's Pants, and Great, will always have a certain meaning. We will treasure the fun we had dressing like Al Capone, Minnie Mouse, Flappers, Cowboys, and walking around on stilts. We have lived through Bible Lit, Government, Biology, Math, and all the classes that we thought were too much for us. We conquered our fears when we ditched, when we filled out tardy slips, when we ended up in Op Hall! We've survived our Freshman year, the long athletic trips to games, test days, getting dumped into a trash can, getting thrown into the showers, but learned how to be a good sport. Our spirit was always there when our teams weren't doing to good, but they always knew we were behind them, however, and they tried harder. We are proud of our athletic teams and, you know, we're proud of just being HAWKS! They say the last is always best and this year was the best! 80 is the Best! We're a fragment of time and everyone should remember and will remember these FRAGMENTS we have together!

"The girls start looking up to you!"

"The Senior boys look mature!"

"The only bad thing about the Junior Year was that the Pep Club Float was done by the Juniors!"

The Sophomore Class are the "In-Between" Gang! They all agree that the best thing about being a Sophomore is not being a Frosh. Others commented that being a Sophomore feels like you're just average in the popularity poll. You've only got two more years to go and it feels like forever! It's hard to really think since we're always being worked. It's hard being a Sophomore athlete, sometimes you're on the Varsity Team and then you're on the J.V. Team! You look forward to being even a Junior!

AUTOGRAPHS

The Freshmen are the underdogs of BUHS but perhaps the group that makes everyone know that they exist. If they make it thru this year they can make it thru anything! Some of the Freshmen remark:

"Being a Frosh has its merits, teachers don't know your bad habits!"

"It's great, everyone picks on you!"

"It's better than being an eighth grader!"

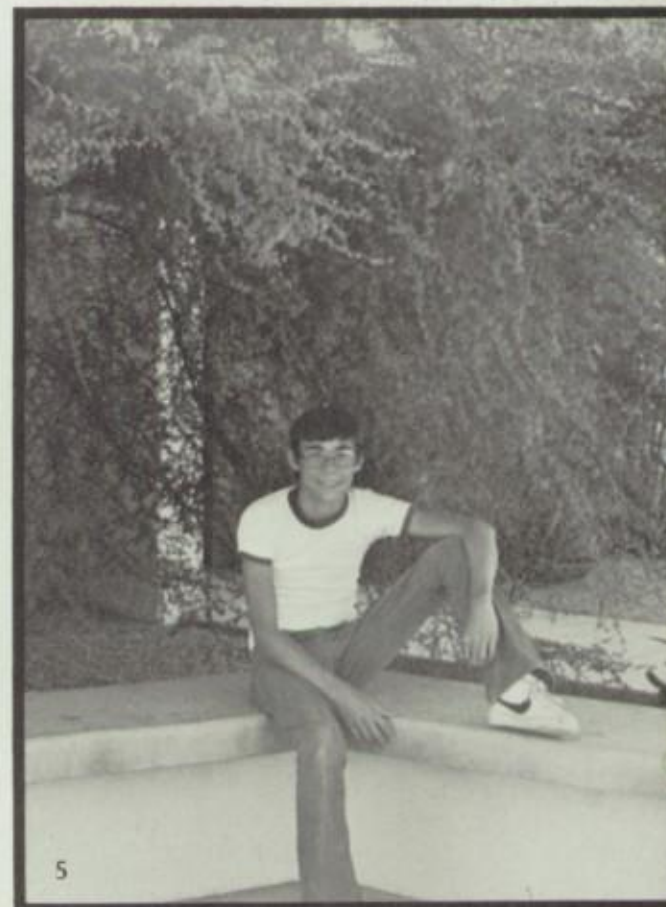

"Eighth grade girls think you're great!"

"You get to play other schools!"

"You get to go to pep assemblies!"

"Once in a while you can get a Senior guy to look at you!"

"You're in high school!"

A black and white photograph of three cheerleaders on a grassy field. One cheerleader is standing on a tall vertical pole on the left, holding onto it. Two other cheerleaders are on the ground in front of a large banner, both pointing upwards with their right hands. The banner is white and features the text 'THE MIGHTY' in bold, block letters, and 'HAWKS' in large, outlined, stylized letters below it. The cheerleaders are wearing dark sweaters with a light-colored horizontal stripe across the chest and dark skirts. The background is a dark, solid color.

Second Team all conference players were Offensive Guard, Jesse David,

Defensive Back, Buddy Garone Defensive Linebacker, Joe Villa.

Honorable mention players Defense, Rusty Akers, Ken Stanberry, Offense and Defense, Johnny Gillihan, Defense 8, and Steve Melvin as punter.

The Volleyball Teams this year had a great season! A few records were broken, such as spiking. Last year the record was 54 spikes in 3 games. This year it was 64 in 2 games.

In the four years since Volleyball came to BUHS, this season has been the best. With a record of 9 - 5, this year was the first time the girls have beaten Apache Junction and the first time that they have won in the Phoenix Indian Gym.

There was not one significant valuable player but some top scorers were Gay Brown, Kate Burton, and Tina DeShazo. Awards were handed out recently to some of the players. Kate Burton received "Best Server" and "Best Bumper." "Most Dependable" was Gay Brown with "Best Setter" Tina DeShazo. Gouda Wilson was the "Best Spiker" this year.

Since this was a good year, next year will even be better. A fine job was done by all who participated.

The Hawks placed 4th out of 12 teams at Buckeye Invitational, 3rd out of 8 teams at Apache Junction Invitational, 3rd out of 8 teams at Dysart Invitational, and 7th out of 16 teams at Coolidge Invitational. Buckeye placed 4th in the Class "A" Central Division and qualified 6 wrestlers for the State Meet. At State, the team finished in 6th place and had one State Champion and two runner-ups.

The Hawks were led by 4 seniors: Jesse David, John Gillihan, Craig Schindler, and Ken Stanbery. These four wrestlers did an outstanding job this year. They worked hard all year and built up winning individual records.

Doug,
Well, it's really
too bad you won't
be graduating with
me, but I'll be thinking
of you when I'm up there
as one of the closest
friends I have and I'm sure
we'll be life-time ones. Please be
careful in all you do and you'll go
as far as you dream to. Take-care
and keep on playing your guitar, you'll
be a superstar someday. Love ya;
friends forever,
